

HE.FOR.SWE WEBINAR

Monday, March 29th at 7:00PM cst

LEARN HOW TO BE AN ALLY
FOR WOMEN IN STEM ON
CAMPUS AND BEYOND.

Register at
z.umn.edu/HeforSWEWebinar

Dr. Roger Green is an associate professor in the Electrical and Computer Engineering Department at NDSU. He is a lead member of the NDSU Advance FORWARD Advocates, a group of male faculty committed to gender equality in and across their

institution. Join us, as Dr.Green speaks on "Engaging Men as Allies for Gender Equity." We will also hear from a panel of CSE students and alumni about what it is like to be women in CSE and what can be done to change the environment for the better.

**Key Note
Speaker:**

Dr. Roger Green

*All attendees will be awarded
a certificate of completion following the event.
